AML Annual Conference 2022

a hybrid event: in-person & Zoom options

Invited Speaker: Steve Leinwand

Steve Leinwand is a Principal Research Analyst at the American Institutes of Research (AIR) and currently serves as mathematics expert on a wide range of AIR projects that turn around schools, improve adult education, evaluate programs, develop assessments and provide technical assistance. Steve has served on the NCTM Board of Directors and as President of the National Council of Supervisors of Mathematics. He is an author of numerous mathematics books and articles.

Strengthening Mathematics Teaching & Learning: Practical Approaches for School & District Leaders

Join AML colleagues to learn more about the math program domains that must be strengthened and why. We will explore and model leadership strategies including advocacy, collaboration and starting small. Whether you join us in the room or in the Zoom, you can expect an engaging day of learning.
